News from the Christian Education Department:

I was just wondering, "where has my summer gone"? Are you thinking the same thing? With that in mind it is time to start thinking about this year's Sunday School programs. We will have our Sunday School kick off on Sunday September 8, 2013 starting at 10:10 a.m. to 11:00 a.m. we will have children's classes from preschool through 5th grade with some fabulous teachers, along with a couple of adult studies that will begin at this time. Bev Reeves will be starting a class, and Bible 101 will resume again this year. There will also be a couple of mid-week classes that will be starting. Stay tuned for more information on what each of these classes will be offering. If God has been nudging you to lead a Sunday School class or a mid-week study it is not too late to get on board, let me know when and what you are wanting to do and I will be glad to help you. If you need suggestions Pastor Michael or I could help with ideas. I also have a couple of fun opportunities available for you to help out with. How about helping out with our preschool program, or a grade school youth program. If any of this sounds intriguing please come and visit with me. Here's to another great Sunday School year.

10 THINGS THAT ARE GOING GREAT

For some reason it has become popular on the internet and elsewhere to make lists as a way of conveying information. I don't always find this trend helpful, but it seems a good time to give it a try. Here are 10 things we are accomplishing together that indicate (and build) a new spirit of vitality in our congregation.

1. Even with vacations, weekend getaways and the choirs on hiatus, worship attendance has been remaining steady. We have been gifted with many volunteers who share their talents in special music, lifting up our worship and our spirits.
2. The **Trustees and Property Team** have continued to oversee completion of the HVAC project. We again have cooling in the sanctuary and the choir room, and the other phases will be commence in the next couple of weeks. After a few unexpected snags, we now anticipate completion the first week in August.
3. The **Communications Team** is revamping our website and working on other changes to improve communication inside and outside the congregation. They have begun making video of worship services and sharing parts of the service on YOUTUBE. Go to www.lovelanddisciples.org for links to these resources.
4. The **Christian Education Team** is reconfiguring the Sunday School rooms and "sprucing them up" to make a more appealing place to learn about God's love and Christ's direction. Two Wednesday evening classes are drawing participants, and the *Financial Peabace University* is being offered again this fall.
5. In spite of the fires near LaForet, campers and counselors from our congregation were able to be part of camps this summer. In addition, two youth mission trips have helped to teach our young (and older) members the importance of walking our faith.
6. The Narthex continues to be transformed from underused space into a place of welcome. In the *Welcome Corner*, the **Congregation Life Team**

coordinates serving of refreshments to facilitate fellowship each Sunday. On the other side, plans are being explored to make the *Gallery* more inviting and useful in the church's mission.

7. Working with the Personnel Team, we are taking a look at staff responsibilities so that we may more effectively lead and serve the congregation. **Rachel Nelson** will be expanding her position as *Minister to Emerging Generations*, recruiting volunteers and providing direction and support to ministry with youth and young adults.
8. As I mentioned last month, the **Worship Team** is planning the launch of a new worship service in the fall, as well a continuing to maintain the quality of the traditional service. Worship planners will soon meet with musicians to plan for fall.
9. Our **LifeCare Team** is working to network members in effective service to and care for each other. They have compiled the results of the congregation inventory and are helping all of us find new ways to be family together.
10. Our **Mission Sunday** was a lighthearted way to emphasize our congregation's commitment to doing the work of the Gospel outside our walls through local, nationwide and world missions.

In order to capture this momentum and move forward, we will meet for our annual **Congregation Retreat** at Sylvandale Ranch on Sunday, August 25th. Through conversation, fellowship, and worship, we will take a big step in the transformation process we began together in November.

The retreat schedule is still being finalized, so please keep an eye out in the worship bulletin and on the website. We will begin at 9:30am and continue into early afternoon. Please plan to bring your dreams and visions for the future of the church as we gather together on this special day.

Thanks to all who contributed their hard work and patient leadership through the past months. We are definitely a church on the move!

*Love, Grace and Peace,
Michael*

Camp Was Still Camp...

It was a whirlwind of uncertainty this year when the Black Forest wildfire broke out just days before our summer camps were scheduled to start at LaForet. Thankfully, our beloved church camp was spared by the work of firefighters, though the surrounding landscape will be changed for years to come. While our hearts went out to those less fortunately affected by the fire, we were blessed to be able to still have camp, relocating to YMCA's Snow Mountain Ranch the first week (for CYF and Junior campers) and Estes Park Center the second week (for Chi Rho and Discovery campers).

It was an adventure in new-ness, fitting well with our theme for the year "All Things New", as we explored how our faith makes us new in a new setting with new dynamics, new layout, new challenges of sharing space with hundreds of other people, new recreational opportunities, new food, etc. God was with us, though, and campers of all ages were relieved and thrilled to discover that "camp was still camp", gaining a deeper understanding that it truly is not the camp's location that makes camp so special, but rather the community.

May our churches be open and intentional recipients of this timely reminder, and may we strengthen our communities along with our youth as we move into the new future of ministry together.

With hope and gratitude,
Rachel
